raising standards worldwide™

National foreword

This British Standard is the UK implementation of ISO 17573:2010. It supersedes DD CEN ISO/TS 17573:2003 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/278, Road transport informatics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
