

BSI Standards Publication

**Security and resilience — Protective
security — Guidelines for crime prevention
through environmental design**

National foreword

This British Standard is the UK implementation of [ISO 22341:2021](#).

The UK participation in its preparation was entrusted to Technical Committee GW/3, Private Security Management & Services.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
