Safety and control devices for gas burners and gas-burning appliances

Part 5: Manual gas valves

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 23551-5:2014.

The UK participation in its preparation was entrusted to Technical Committee GSE/22, Safety and control devices for gas and oil burners and gas burning appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
