

BSI Standards Publication

Fire detection and alarm systems

Part 13: Compatibility assessment of system components

National foreword

This British Standard is the UK implementation of [ISO 7240-13:2020](#).

The UK participation in its preparation was entrusted to Technical Committee FSH/12/3, Control and indicating equipment.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
