

BSI Standards Publication

Tools for moulding — Ejector sleeves with cylindrical head — Basic series for general purposes

National foreword

This British Standard is the UK implementation of ISO 8405:2020. It supersedes BS ISO 8405:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MTE/12, Tools for pressing and moulding.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
