

Information technology — Learning, education, and training — Content packaging

Part 1: Information model

ICS 35.240.99

National foreword

This British Standard is the UK implementation of ISO/IEC 12785-1:2009.

The UK participation in its preparation was entrusted to Technical Committee IST/43, Information technology for learning, education and training.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
