Information technology — Home Electronic System (HES) architecture

Part 4-301: Application protocols for home air conditioners and controllers

National foreword

This British Standard is the UK implementation of ISO/IEC 14543-4-301:2020.

The UK participation in its preparation was entrusted to Technical Committee TCT/7, Telecommunications - Installation requirements.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
