National foreword

This British Standard is the UK implementation of ISO/IEC 18000-4:2015. It supersedes BS ISO/IEC 18000-4:2008 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/34, Automatic identification and data capture techniques.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
