BSI Standards Publication

Information technology — Metamodel framework for interoperability (MFI)

Part 10: Core model and basic mapping

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO/IEC 19763-10:2014.

The UK participation in its preparation was entrusted to Technical Committee IST/40, Data management and interchange.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
