Part 7: Digital Item Adaptation

ICS 35.040

National foreword

This British Standard reproduces verbatim ISO/IEC 21000-7:2004 and implements it as the UK national standard.

The UK participation in its preparation was entrusted to Technical Committee IST/37, Coding of audio, picture, multimedia and hypermedia information, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
