

BSI Standards Publication

Information technology — Destruction of data carriers

Part 1: Principles and definitions

National foreword

This British Standard is the UK implementation of ISO/IEC 21964-1:2018.

The UK participation in its preparation was entrusted to Technical Committee IST/-/99, Participating IST members.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
