Systems and software engineering — Systems and software quality requirements and evaluation (SQuaRE) — Quality requirements framework

National foreword

This British Standard is the UK implementation of ISO/IEC 25030:2019. It supersedes BS ISO/IEC 25030:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/15/-/6, Software Product and System Quality.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
