National foreword

This British Standard is the UK implementation of ISO/IEC/IEEE 23026:2015. It supersedes BS ISO/IEC 23026:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/15, Software and systems engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
