Utility connections in port

Part 1: High Voltage Shore Connection
(HVSC) Systems — General requirements

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO/IEC/IEEE 80005-1:2012.

The UK participation in its preparation was entrusted to Technical Committee JPEL/18, Electrical installations of ships and of mobile and fixed offshore units.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
