Перепечатка воспрещается

The copyright of ISO Recommendations and ISO Standards belongs to ISO Member Bodies. Reproduction of these documents, in any country, may be authorized therefore only by the national standards organization of that country, being a member of ISO.
For each individual country the only valid standard is the national standard of that country.

Le droit de reproduction des Recommandations ISO et des Normes ISO est la propriété des Comités Membres de l'ISO. En conséquence, dans chaque pays, la reproduction de ces documents ne peut être autorisée que par l'organisation nationale de normalisation de ce pays, membre de l'ISO.
Seules les normes nationales sont valables dans leurs pays respectifs.

Право перепечатки Рекомендаций ИСО и Стандартов ИСО принадлежит Комитетам-Членам ИСО. Поэтому перепечатка этих документов разрешается в каждой стране только с ведома национальной организации по стандартизации этой страны, члена ИСО.
В каждой стране действительными являются лишь ее национальные стандарты.

Издание на английском, французском и русском языках. За получением обращаться к национальным организациям по стандартизации.

B R I E F H I S T O R Y

The Addendum 1 to ISO Recommendation R 194-1969, List of equivalent terms used in the plastics industry, was drawn up by Technical Committee ISO/TC 61, Plastics, the Secretariat of which is held by the American National Standards Institute (ANSI).

Work on this question led to the adoption of Draft ISO Recommendation No. 1892, which was circulated to all the ISO Member Bodies for enquiry in September 1969. It was approved, subject to a few modifications of an editorial nature, by the following Member Bodies :

Australia	Israel	Spain
Belgium	Japan	Sweden
Canada	Netherlands	Switzerland
Czechoslovakia	New Zealand	Turkey
France	Poland	U.A.R.
Germany	Portugal	United Kingdom
Greece	Romania	U.S.A.
Hungary	South Africa, Rep. of	U.S.S.R.

No Member Body opposed the approval of the Draft.

This Draft ISO Recommendation was then submitted by correspondence to the ISO Council, which decided to accept it as an ISO RECOMMENDATION.
