

BSI Standards Publication

Low-voltage switchgear and controlgear - Guidance for the development of embedded software

National foreword

This Published Document is the UK implementation of CLC IEC/TR 63201:2020. It is identical to IEC TR 63201:2019. It supersedes PD IEC TR 63201:2019, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/121/1, Low voltage switchgear and controlgear.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
