Reed switches

Part 3: Reliability data for reed switch-devices in typical safety applications

National foreword

This Published Document is the UK implementation of IEC/TR 62246-3:2018.

The UK participation in its preparation was entrusted to Technical Committee EPL/94, General purpose relays and reed contact units.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
