

BSI Standards Publication

UHV AC transmission systems

Part 100: General information

National foreword

This Published Document is the UK implementation of IEC/TR 63042-100:2016.

The UK participation in its preparation was entrusted by Technical Committee PEL/121, Switchgear and Controlgear and their assemblies for low voltage, to Subcommittee PEL/121/1, Low voltage switchgear and controlgear.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
