Process management for avionics — Electronic components for aerospace, defence and high performance (ADHP) applications

Part 1: General requirements for high
reliability integrated circuits and discrete
semiconductors

National foreword

This Published Document is the UK implementation of IEC/TS 62686-1:2015. It supersedes PD IEC/TS 62686-1:2012 which is now withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GEL/107, Process management for avionics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
