

Information technology — Security techniques — Information security incident management

ICS 35.040

National foreword

This Published Document reproduces verbatim ISO/IEC TR 18044:2004.

The UK participation in its preparation was entrusted to Technical Committee IST/33, IT — Security techniques, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this committee can be obtained on request to its secretary.
