

BSI Standards Publication

Framework for integrated community-based life-long health and care services in aged societies

National foreword

This British Standard is the UK implementation of ISO IWA 18:2016.

The UK participation in its preparation was entrusted to Technical Committee IWA/CAS, Community-based Integrated Health and Care Services for Aged Societies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
